

# ALLIANCE FOR WELLNESS

Powered by United Way of San Joaquin County

## STRENGTHENING COMMUNITIES, TRANSFORMING CARE.

## WHAT IS THE ALLIANCE FOR WELLNESS?

Powered by United Way of San Joaquin County, the Alliance for Wellness (AFW) helps community-based organizations focus on care—not paperwork. By centralizing administrative tasks like contracting and workforce training, AFW strengthens the connection between Medi-Cal and the communities it serves—leading to better health outcomes and more equitable care. Serving communities who need it most.

## WHY IT MATTERS

Increasing the capacity of nonprofits to meaningfully and sustainably participate in Medi-Cal means an increased connection between Medi-Cal and the communities it serves.

The outcome is improved health due to whole person-centered care, giving providers a 360-view of a client's care journey.
